Thanks, Chip. It was good to meet you, and I'll be proud to represent South Jordan's and its citizens interests in the Senate. I look forward to working with you further. I'll review the bills you sent, and Thanks for getting me up to speed on City issues.

I'm happy to meet for lunch on the 18th. It's far enough in advance that you're the first thing on the calendar. (Please be sure to invite Patrick Harris from the Council--he's my neighbor and we teach Sunday School together.)

I am available 24 hours a day.

The City would like to invite you to lunch to talk about your goals and perspectives.

Monday typically works best for our Mayor. Would you be available Monday, January 18th at 12:00 Noon at Market Street Grill in South Jordan? A breakfast at 7:00 AM could also work that day too.

Attached is a PDF copy of a sample list of bills the City has been involved in at the Legislature of the past eight years. It might give you a flavor of what we look at up there.

Thanks, we look forward to working with you!

Chip,

I can guess the City's position (if the City can legally *have* a position) on many of these.

But, are there any issues or bills that either passed or didn't that the City would like to highlight specifically as still needing legislative action that I can help with?

Senator Fillmore,

There are some issues that we see arising in 2016, and I have a document with those issues. I am just waiting for approval from the City Attorney and City Council to distribute that.

As soon as I get their OK, I will send it along.

Our new City Council Member Patrick Harris speaks very highly of you by the way! Heard you are neighbors.

Thanks!

Chip

Senator Fillmore,

Will you have an intern this year? If so, the City of South Jordan would like to take him/her to lunch as the City has done the past four years.

It's a great chance for us to get to know them and for the interns to get to know each other.

We provide the meal and transportation, and make sure they get back to the Capitol on time to continue their duties.

Could you provide me with a name, cell phone, and email if you have one?

Thanks,

Chip
