Dear Building Official,

We are looking to receive a list of the building permits issued for new residential construction (new residences, single and multifamily) for all of 2014. The list would include the permit issue date and address of the new unit. Any other information such as contractor, sub-division, parcel number, etc. would also be useful.

We would also like to know the current status of the permit; if a certificate of occupancy or final inspection was issued.

If possible we would like to receive the building permit information by email. If fees would be in excess of \$25.00 we would ask to be notified before work begins.

This data will be used to update the national television sample created by Nielsen (the Nielsen TV Ratings).

Thank you for your help in advance. Please feel free to contact me with any questions or concerns.

Kind regards,
