Subject: Thank you - envelope stuffing

I was given a task this week that was way over my head. There were some interesting circumstances and deadlines to meet, and you stepped up (you know who you are) to make it happen and execute the daunting task that it was. I sincerely could NOT have done it without each and every one of you!

Thank you to you all. I've always known that I work with some of the greatest people, but I was reminded yesterday how true that is. I am grateful to you and your friendship, we make a great team! And really, it was kind of fun – right? ☺

Thank you, thank you.
Mel
