Dear Business Licensing Office:

I own a residential property located at 4478 W. Silent Rain Drive, South Jordan, UT 84095.
I rented it out to Shane Fisher as a residential home.
It appears that Shane Fisher has filed a Home Occupation Business License in this property.
I'd like to request this application be rejected since the rental property insurance on this house is not the type that covers business activities.

Thank you very much for your time.

Sincerely,

Seokjin Jo
