IMPORTANT NOTICE: Many areas in South Jordan have ground water problems due to a seasonally high (fluctuating) water table. Issuance of this permit does not constitute representation by the city that building at any specified elevations will solve ground water problems. Solution of these problems is the sole responsibility of the permit applicant and property owner.

IMPORTANT NOTICE: Due to the natural conditions and slope of the ground in most areas of South Jordan City, surface water may occassionally enter adjacent properties. Issuance of this permit does not constitute representation by the City that building at a specified elevation will solve surface water problems. Property owners are solely responsible for solving surface water problems.

SOUTH JORDAN CITY COMMERCIAL CHECKLIST

South Jordan City, or State, or other required agencies must approve this and sign or portion thereof before occupancy is allowed. It is the responsibility of the General Contractor/Owner to obtain such approvals prior to final and or occupancy. Those agencies checked must visit the job site and determine compliance with their regulatory requirements. This checklist must be completed and signed by authorized personnel from such agencies and presented to the South Jordan City Building Inspector at final inspection and placed thereafter in the building permit records file

Failure to complete requirements and obtain necessary signatures will result in delayed final inspection and occupancy of the structure.
