Subject: GRAMA Request April 8, 2014

Ms. West,

How are you? This is Topher Webb with the Salt Lake Tribune.

Please consider this a request under the Government Records Access and Management Act for the following documents:

- The contract between South Jordan City and Forest City Enterprises for the South Jordan Gateway Study
- The financial documents from Mulligans Golf and Games from the time the city acquired Mulligans to present.
- The financial documents from the Mulligans bond from the time the bond was issued to present
- > The survey the city conducted in January 2013 which contained a question asking residents if they would support doing something else with the Mulligans property

If you conclude that any of the requested documents are exempt from disclosure under the Act, I request that you exercise your discretion to disclose the records nevertheless. If you conclude that any of the requested documents contain both exempt and non-exempt material and you decide to withhold the exempt material, I ask that you segregate and release the non-exempt material.

If you deny all or part of this request, I ask that you specify which exemption you believe covers each document or portion of a document withheld and that you identify each document with sufficient particularity to enable me to seek administrative and, if necessary, judicial review of your determination. I also ask that you inform me of the administrative appeal process.

As you may be aware, under 63-2-204 (3b), GRAMA presumes that a news media request will primarily benefit the public rather than a person. And under 63-2-203 (4a), GRAMA states that a governmental entity is encouraged not to charge a requester when releasing the record primarily benefits the public. Therefore, I request a waiver of all fees for this request. If a waiver is not granted, I ask that you contact me by telephone at (801) 815-8925 or via e-mail at [REDACTED]

This request is made for information intended for use in a news article for publication to the general public. Thank you for your assistance. Please call if I can provide any additional information or clarification.

Topher
