POSITION(S) SUPERVISED

Facilities Maintenance Workers
Custodians

ESSENTIAL JOB FUNCTIONS

Meet performance standards established with the employee's manager.

Job attendance is required, except for authorized leave.

Aid in the development of departmental budgets and monitor fiscal controls to assure conformity with established financial constraints.

Recommend and assist in the implementation of goals and objectives; identify areas with maintenance and/or custodial issues or repairs; establish schedules and methods for providing facilities' services; implement policies and procedures.

Plan and coordinate facilities' work projects; prepare time, materials, and equipment estimates for jobs assigned; requisition materials and order parts as necessary and ensure parts ordered are received in a timely manner. Select appropriate equipment and materials to complete the work according to specifications, verbal instructions, and established procedures; adapt equipment and materials to meet specific requirements of the work to be accomplished.

Participate in the selection of staff; provide or coordinate staff training in the areas of work methods, techniques, and the use and operation of equipment; coach employees to correct any deficiencies determined by supervisor.

Supervise facilities staff by interviewing applicants, hiring, scheduling and assigning duties, conducting approval of timecards and completing performance evaluations.

Coordinate the use and operation of tools, equipment, and vehicles; ensure that tools, equipment and vehicles are safely operated, maintained, and secure when not in use; schedule the service, repair, and replacement of tools, and equipment.

Prepare necessary records and reports; prepare projects status reports; maintain records of projects, activities and materials used; coordinate the maintenance of time, material, and equipment use records.

Conducts regular inspections of facilities to identify and correct maintenance problems and/or hazards. Establish schedules and methods for providing facilities maintenance.

Secure quotes from outside contractors for services required, consistent with City purchasing policies.

Monitor contract and warranty services for facility and/or custodial maintenance.

Receives and reviews requests for small capital improvement projects to make cost estimates, determine materials and labor needs, and to put requests out to bid.

Assist with and perform general snow removal activities at city facilities.

Subject to emergency call out and on call as assigned.

MAINTENANCE COORDINATOR

Ensure the overall implementation and maintenance of a comprehensive facilities work request program for all buildings.

Create and assist in planning, scheduling and implementing all preventative maintenance work for city facilities and maintenance equipment.

Perform general maintenance and repair duties related to routine plumbing, electrical (ie. lighting controls, re-lamp and ballast changes), carpentry and mechanical functions (ie. HVAC) of city buildings and environments.

Install, remove, repair, and paint interior walls; move and assemble furniture as required.

Perform pool maintenance duties as assigned.

Coordinate with City's construction project manager to assure necessary capital projects are identified, evaluated, and recommend appropriate funding for Capital Improvement budget.

CUSTODIAN COORDINATOR

Ensure the overall implementation of custodial services for all city facilities, by creating, planning, scheduling and implementing appropriate custodial services.

Assist with and perform as needed general custodial duties such as vacuuming, restroom cleaning, window cleaning, floor cleaning, carpet cleaning, garbage collection, dusting, and sanitizing, etc.

Perform other duties as assigned.
