G.R.A.M.A.
Government Records Access and Management Act

Intent: Utah Code § 63G-2-204 (GRAMA) is intended to promote the public’s right of easy and reasonable access to unrestricted public records and to favor public access when, in the application of the law, countervailing interests are of equal weight.

Time: A request for record access or copies shall be responded to as soon as reasonably possible – no later than 10 business days, or 5 business days if a request benefits the public rather than the requesting individual. (63G-2-204(3)(a))

Denial: If access is denied, the agency shall provide a notice of denial, including a description of the record or portion of record to which access is denied, citation to the statute allowing the denial, and a description of the process to appeal the denial. (63G-2-205(2))
