Management Analyst Intern

ESSENTIAL JOB FUNCTIONS

Meet performance standards established with the employee’s manager.

Job attendance is required, except for authorized leave.

Responsible for the effective administration of assigned department and all department activities.

Implement ordinances, resolutions, rules and regulations, directives, and service levels within established budget parameters.

Responsible for planning, organizing, supervising, and directing the operations of the department and for the full and effective use of assigned personnel, equipment, and financial resources.

Serve as special advisor to the City Manager regarding project management, internal policy implementation, and contract administration.

Develop project goals, objectives, initiatives, or strategies in collaboration with other project professionals. Lead discussions and work through any project conflicts through experienced mediation and consensus building methods.

Establish and maintain department goals, priorities, and work plans consistent with the goals and priorities of the city council and city manager.

Serve as advisor to City Department Directors for proposed special projects for the City and collaborate with public, private and non-profit agencies included in the project scope. Collect, analyze, present cost-benefit and feasibility analysis for proposed projects to the City Manager.

Assess or propose special project initiatives, considering factors such as cost effectiveness, technical feasibility, and acceptance. Monitor or track project milestones, provide ongoing consultation with project participants, and provide updates on a regular basis.

Review Date: 7/12/16

Collect and analyze pertinent information for projects through research, audits, surveys, etc. Analyze information using evidence based decision making tools such as lean, six sigma, statistics, regression analysis, and spreadsheet calculations.

Coordinate City acquisition, sale and development of properties.

Conduct performance evaluations of department employees in accordance with the human resources policies and procedures of the city.

Implement risk management programs required by the city insurance carriers, city risk managers, and city manager to protect the health, safety, and welfare of city employees and the public; prevent financial loss and reduce insurance premiums; conduct affairs of the department to reduce insurance premiums and reduce the potential for claims and lawsuits against the city.

Maintain spending within the budget parameters established by the city.

Utilize and cooperate with the Staffing Committee to request desired staffing changes during the budget year.

Purchase equipment, supplies, and services in accordance with the purchasing policies and established practices of the city.

Supervise subordinate personnel including hiring, performance management, employee development and training, coaching, and initiating corrective action.

Keep informed as to relevant best practices in assigned area of responsibility, and implement or update new practices to strive for continued improvement and excellence.

Submit reports as required detailing activities of the department.

Represent the Office of the City Manager in assigned meetings and maintain strong working relationships with intergovernmental agencies.

Perform other duties as assigned.
