Chief of Police

PRESS RELEASE

TO: All Local Media

FROM: Master Officer Samuel Winkler

RE: Deceased male

DATE: 5/20/2015

****Please review the following information for consideration to be included in routine reporting.****

Just after 8:00 am Tuesday, May 19, 2015, a 911 call was received from a motorist just west of I-15 on 10600 South reporting an unconscious male in the weeds. Responding units from Sandy PD and South Jordan PD arrived and determined the male was deceased.

The location of this incident is on the south side of 10600 South just west of the I-15 southbound on ramp in South Jordan City, Utah. The male was found face-down next to a chain link fence approximately 15 feet off the roadway.

The male is being identified as Flint J Brown age 56 of South Jordan, Utah.

Detectives with the South Jordan Police Department, along with investigators from the Utah State Medical Examiner's Office, responded to the scene for the investigation. They determined Mr. Brown was wearing clothing appropriate for the time of year and did not have any visible signs of trauma to his body. This death is considered suspicious and further determinations will not be available until an autopsy and further investigations are completed. We do not anticipate information from the autopsy to be available for several weeks.

Mr. Brown was last seen wandering the area near a hotel west of I-15 around 11:30 PM.

Anyone with information related to this case is urged to call the South Jordan Police Department at 801-840-4000.

For additional information, please contact Officer Samuel Winkler of the South Jordan City Police Department by cell (801) 330-2183 (swinkler@sjc.utah.gov).
