

Summer

The Mulligan's Elite Golf Academy (MEGA) is looking for juniors who want to play golf, improve and have fun. Players must have some golf experience but we are not looking for experts! For those who have never played, beginner golf instruction is also offered in a different program at Mulligan's. MEGA is an opportunity for kids to have time on the course and receive some practice time.

Every week players will have a scheduled clinic. The clinics will last about 45 minutes and then the kids will be able to play 9 holes after the clinics. Each clinic will be given by me or another staff member.

Spring Season (March-May) - \$100

Summer Season (June-August) - \$100

Fall Season (September-November) - \$100

We will have two classes that are separated by age. Ages 8-12 will come at 3:45 and ages 11-15 will come at 4:30. Boys and girls are welcome for each class.

If interested in being a part of this great program or for questions or comments please ask me or my staff at Mulligan's.
