

Live Oak Dog Obedience Utah

What Is It?

Live Oak Dog Obedience has been in business since 1978. Jan is a behavioral specialist and will work with all types of dogs and personalities. She graduated from BYU in Animal Science and worked with a veterinarian for 4 years. Jan is also certified with American Kennel Club for CGC testing.

In these classes we will be working your dog at his or her individual level. Beginning Novice class consist of heel, sit and down stays, recall and stand for examination. General public manners will be also covered. All behavioral problems will be discussed along with boundary training and protections awareness.

Customer Feedback

"I have been to so many dog training classes and was most impressed with Jan and her class. She recognizes and works around each dogs level, ability, and breed personalities so training is fun for both owner and dog. She truly loves dogs and it shows! Thank you Jan." Cathy & Riley
