FOR IMMEDIATE RELEASE: November 1, 2020

Explosion incident with injuries at 3371 S Snow Moon Place

South Jordan, UT – The South Jordan Fire Department responded to the report of a structure fire at 3371 West Snow Moon Place. The first arriving firefighters located an adult male in critical condition with lower leg injuries. The patient was treated and transported by AirMed to the University of Utah Medical Center for further care. The home was investigated to determine the circumstances surrounding the incident. No fire was located in the home however the 911 call was due to explosion inside the home.

As a result of the July 2020 incident at the same location involving homemade explosives, the South Jordan Police Department, West Valley and UFA Bomb Squad, FBI and ATF are conducting a joint investigation into the events leading up to the explosion. Two homes were initially evacuated as a precaution until bomb squad personnel were able to confirm there was no risk to the community. The incident is under investigation and the home will remain condemned due to the damage resulting from the previous incident.

If there is any information that can assist in the investigation, contact South Jordan Police Department at 801-840-4000.
