

South Jordan Police Department

Neighborhood Watch Starter Handbook

Want to know what the best crime prevention device ever invented is?

A good neighbor! In fact, neighbors working together in cooperation with law enforcement can make one of the best crime-fighting teams around. We call it...Neighborhood Watch!

What is Neighborhood Watch?

Neighborhood Watch is a crime prevention program, which enlists the active participation of citizens in cooperation with law enforcement to reduce crime in communities. It involves neighbors getting to know each other and working together in a program of mutual assistance. It involves a proactive approach to creative problem solving and minimizing risk. It also involves citizens being trained to recognize and report suspicious activities in their neighborhoods and, implementation of crime prevention techniques, such as home security, operation identification and others.

Why start a Neighborhood Watch?

There cannot be a law enforcement officer on every corner; therefore citizen involvement is essential to combat crime. You and your neighbors are the ones who really know what is going on in your community and by cooperating with each other and the police, people can help fight crime in the most effective way; before it begins!

How do I start a Neighborhood Watch program in my area?

Starting a Neighborhood Watch program might seem like a huge task. Where do we begin? What kind of timetable? Who will be involved in it? How can interest be maintained? What materials are needed? What are the benefits of a Neighborhood Watch Program? All these and more, are common questions you might ask when facing the challenge of starting a crime prevention program such as Neighborhood Watch.

Enclosed in this packet you should find an easy to follow checklist for starting a Neighborhood Watch Program. Utilize it to help in your process.

Checklist for Starting a Neighborhood Watch Program

- 1. Determine if there is a need for and an interest in having a program in your Neighborhood.
- 2. Call the South Jordan Police Department's Special Services Division at (801) 254-4708. Express your Neighborhood's interest in starting a Neighborhood Watch Program and have them send you a "Starter Handbook."
- 3. Read the Neighborhood Watch Starter Handbook.
- 4. Designate a volunteer from your Neighborhood to act as the Area Leader for the Neighborhood Watch Program. The Area Leader will oversee Neighborhood Watch in your specific area. This person is responsible for dividing your area into blocks and recruiting Block Leaders. This person is also responsible for the remainder of this list. (See Area Leadership Guidebook pages 2 and 4)
- 5. (Area Leader) Call your Neighborhood Watch Coordinator with the Police Department to express your interest in starting a Neighborhood Watch Program. Tell police you have received and read the Starter Handbook. We will help you with any questions and planning for your first meeting.
- 6. Fill out the Area Leader Information (page 6) and map (page 7) and return these to your Neighborhood Watch Coordinator.
- 7. Designate a first Neighborhood Watch meeting place, date, and time. It is best if you have a couple of dates to work with.
- 8. Contact the South Jordan Police Department's Special Services Division at (801) 254-4708 and ask about the police department's availability to attend your first Neighborhood Watch Meeting. Someone from the South Jordan Police Department must be present at this meeting for the Neighborhood Watch Group to become trained, organized and certified. **Please allow at least 2-3 weeks advanced notice for preparation and scheduling time.**
- 9. After a date, place, and time are chosen and cleared through the South Jordan Police Department, start advertising for the Neighborhood Watch meeting in your area. Distribute fliers, make phone calls, and even go door to door (do this two weeks, one week and one day before the meeting).

Checklist for the first Neighborhood Watch Meeting

- 1. At the start-up meeting, you are in charge. Here are some suggestions to ensure success:
 - Have nametags.
 - Provide plenty of seating (have a back up plan in the event of bad weather).
 - Have refreshments available.
 - Allow enough time before and after the meeting for neighbors to socialize.
 - Pass out an attendance sheet where neighbors can list their name, phone number and address.
 - Have a meeting agenda and stick to it (see the attached example on page 6).

- 2. Remember, Police Department personnel are invited guests. To begin the meeting, introduce your guests. Also, take time to let all of the neighborhood members formally introduce themselves and tell the group where they live.

- 3. After the introductions and any announcements the leader wants to make, turn the time over to the Police Department. Allow for at least one hour for the Police Department's presentation.

- 4. At the conclusion of the meeting, thank everyone for coming. You may even want to ask for donations for the program. Donations will help fund the purchase of items such as Neighborhood Watch Street Signs, Neighborhood Watch Window Decals, and any other supplies deemed necessary. This is also a good time to recruit Block Leaders.

- 5. Minimally hold yearly follow-up Neighborhood Watch Meeting to reacquaint everyone.

- 6. Remember your responsibilities as an Area Leader. (See the Area Leadership Guide Book).

Neighborhood Watch Start-Up Meeting Agenda Example:

-Meeting Date -

6:45-7:00 PM - Socializing (meet your neighbors)
Refreshments
Fill out Name Tag
Attendance Sheet

7:00-7:15 PM - Introductions by Area Leader
Announcements by Area Leader

7:15-8:15 PM - Neighborhood Watch Training Presentation & Questions
South Jordan Police Department

- About the Neighborhood Watch Program
- Neighborhood Watch Organization
- Participant's Guidelines
- Things to do Right Now
- Emergency Preparedness
- Reporting a Crime
- How to Observe and Report
- Suspect Description
- Vehicle Description and License Plate
- Neighborhood Watch Integrity
- Questions and Answers

8:15-8:30 PM - Conclusion
Block Leader Recruitment by Area Leader/Police Dept.
Socializing (meet your neighbors)/ Donations to Area Leader
Refreshments

Area Leader Information

As part of the Neighborhood Watch start-up process, each new Neighborhood Watch Area is required to provide certain information. This is to make certain the police department records are accurately maintained for each new area. Please complete this form and map and return it to your Neighborhood Watch Coordinator.

Choose an Area Leader. An Area Leader will oversee Neighborhood Watch in your specific area. This person will divide your area into blocks and then recruit Block Leaders to take charge of those blocks. This person will coordinate with the Neighborhood Watch Coordinator and Block Leaders for your area to ensure that your area stays active in Neighborhood Watch.

Neighborhood Watch Area Map

Using this page, sketch a map of your Neighborhood Watch Area, or print off an area map from the Internet. The map does not have to be to scale or highly detailed; it need simply be an overview of the area you want your Neighborhood Watch to cover. Please include street names and coordinates. If you already have an area map, simply attach it to this form.

Neighborhood Watch Area Name: _____

Commonly Asked Questions and Answers

Q. How big should our Neighborhood Watch Area be?

A. The size really depends on your neighborhood set up and how many hours per month you want to spend maintaining the program. We suggest at a minimum, neighbors who have a fairly direct view of each other's houses. For a standard city block, this might include both sides of the street, corner houses that look down your block, and backyard neighbors. Neighborhood Watch is meant to look out for yourselves and your neighbors. If you have a Neighborhood Watch group that is too big, it makes it hard to watch a house that is several blocks away. You want a small group of neighbors that you mutually trust, not a group of strangers too large to know each other by name. Don't get carried away!

Q. How much time is needed to volunteer as an Area Leader or Block Leader?

A. The amount of time depends on the size of your area and how devoted you are to the area and success of the program. For a successful Neighborhood Watch Group, the Area Leader should spend about 1-3 hours per month on the program. (Again the time may vary depending on the size of the area you cover.) This time could include providing information to your Neighborhood Watch participants or other community members, planning or preparing for meetings, planning or preparing watch schedules, or testing your method of communication.

Q. Does Neighborhood Watch cost anything?

A. No. The Police Department will train and accept your Neighborhood into the Program free of charge. However, if your Neighborhood chooses to post Neighborhood Watch Street Signs, window decals, provide refreshments at parties and so forth, there is a cost involved to the Neighborhood Watch Group. We suggest that you ask Neighborhood residents participating in the program to donate a few dollars a year to help maintain these costs.
