In accordance with the Governmental Records Access Management Act, I am seeking the following record(s) **specifically described as:**

I am requesting a digital copy of the amount of municipal water usage in the city of South Jordan by water tier rate. For example, with 2019 tier rates, this data would show the amount of municipal water charged at \$2.00 per 1000 gallons, water charged at \$2.25 per 1000 gallons, etc up to water charged at \$3.00 per 1000 gallons. I am requesting five years of this data in South Jordan, from January 1st 2014 to December 31st 2018. I am requesting monthly data but if monthly data is not available, then yearly data will be acceptable. I am requesting a fee waiver as this information will serve the public interest by providing a clearer picture of water usage in Salt Lake County. This clarity will allow the public to make more informed decisions about water conservation and future water spending in Salt Lake County.

No Records on file - Per Water Utility Billing 6-18-19

which I believe are collected, filed and/or used by the City of South Jordan, 1600 W. Towne Center Drive, South Jordan, Utah 84095 (801) 254-3742.

I would like to view/inspect the record(s).
 I would like to receive a copy of the record(s) described above. I understand that the City charges a fee for copies of records and the copies will be provided subject to fees being paid. I authorize cost of up to \$ 0.00. If costs are greater than the amount I have specified, I further understand that the office will contact me and will not respond to a request for copies if I have not authorized adequate costs.
