Jennifer:

I am responding to your GRAMA Record Request shown below. Our Finance Department sent me one record (attached). The scores in the white columns are actual scores and will give you a better idea of how you compared to other consultants. The yellow columns are percentages. PEC's lowest score was in Team Availability. I have no other information on this RFP.

Please respond back to this GRAMA Record Reply letting me know that you received the attached record.

Thanks,

Anna West
