****Please review the following information for consideration to be included in routine reporting.****

On Saturday, July 18, 2015 at 1:00 AM, officers with the South Jordan Police Department responded to 4400 West Open Hill Drive on the report of a robbery having just occurred.

Five juveniles (2 males, 3 females), were walking on a trail within the park when they were approached by three Hispanic males in their late teens. These three suspects produced handguns and ordered the juveniles to turn over property. The juveniles complied and the suspects left with a backpack, wallet and cell phone. The suspects were believed to be wearing black hats and blue jeans and left in a white or silver Dodge minivan.

“These juveniles correctly turned over property to these armed suspects,” stated Master Officer Samuel Winkler with the South Jordan Police Department. “The loss of property is not worth risking injury or death to yourself or others.”

Detectives are currently working with other law enforcement agencies to determine if there may be related cases.

If anyone has information on this case, they are encouraged to call the South Jordan Police Department at 801-840-4000 referencing case 15F009807.
