FOR IMMEDIATE RELEASE:

South Jordan City's Mulligans Gets a Facelift & New Tasty Treats

SOUTH JORDAN, UT – Mulligans Golf & Games, a favorite family and date hangout in Salt Lake Valley, has an all new look, new food and it's time to celebrate. The media are invited to attend the Grand Re-opening celebration of Mulligans on **Monday, June 17 at 6 p.m.**

The clubhouse was gutted and completely re-done in modern styling. The highlight of the project is the new restaurant, The Caddie Shack, which has burgers and other grilled items, spectacular fries, and a special treat you won't find anywhere else in Salt Lake Valley called "Screamers."

During the Grand Re-Opening week, June 17-21, all activities will be 50% off.*

Mulligans is unique in that it is a City-owned family fun center, which offers golfing, driving range, batting cages and mini golf. Mulligans has been in operation for 25 years, and the City has owned it since 2005.

"Our residents have high expectations for open space, amenities and activities, we believe Mulligans provides all of the above," said Spencer Kyle, South Jordan's director of administrative services. "We'll call it a 'hole in one,' not only for our residents, but for everyone who wants to visit."

The bond to purchase Mulligans was paid off in 2015, which was an early pay off, saving the City \$1.8 million over the life of the loan. Paying off the bond early allowed all of the earnings since then to go toward making improvements like the new clubhouse and maintaining it as top notch family-fun destination.

While the clubhouse renovation was a major step forward in the revitalization of Mulligans, there are several more improvements planned for the future. That includes batting cage renovations, mini golf renovations, golf course improvements, maintenance equipment upgrades, maintenance shop upgrades, and more.
