South Jordan Has New Public Safety Twitter Account

SOUTH JORDAN, UT – South Jordan City has a new public safety Twitter account, which you can find at [@SoJoPoliceFire](https://twitter.com/SoJoPoliceFire).

We are encouraging the media and partners to follow this account so they don't miss out on pressing public safety events, press releases, and incident notifications regarding the police and fire departments.

Previously these notifications came from the city Twitter account, [@SouthJordanUT](https://twitter.com/SouthJordanUT), which will still have informative and helpful city information.

Contact Rachael Van Cleave, South Jordan public information officer, with any questions.
