Notice of Meeting Without an Anchor Location due to Substantial Risk to Health and Safety.

I, Michelle Hollist, Chair of the South Jordan City Planning Commission, hereby determine that conducting the Planning Commission meeting at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The President of the United States, The Governor of Utah, the Salt Lake County Health Department, Salt Lake County Mayor, the South Jordan City Mayor and City Council, and the World Health Organization have all recognized a global pandemic exists related to the new strain of the coronavirus, SARS- CoV-2 and outbreaks of the coronavirus disease COVID-19 that has now spread globally including in the State of UTAH. Due to the State of emergency caused by the global pandemic, the current situation in Utah and specifically in Salt Lake County, and the manner in which the COVID-19 virus spreads in groups, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the anchor location. According to information from State Epidemiology, the State is currently in an acceleration phase, which has the potential to threaten the State's healthcare system. This determination not to meet in an anchor location shall be valid for thirty days.

In the event an electronic meeting is disrupted in any way that the City in its sole discretion deems inappropriate, including the posting of offensive pictures, remarks, or making offensive statements, the City reserves the right to immediately remove the individual(s) from the meeting and, if needed, end the electronic meeting with or without a motion and vote. If a meeting is ended prior to all items being addressed, any items not addressed shall be moved to the next regularly scheduled meeting or a special meeting, whichever is first.

Attendees will be allowed to join via phone or video, using Zoom phone and video conferencing. Note, public comment will be accessed through video conferencing, and a participant must have their video on and working to speak. Those who join via phone may listen, but not comment. Ability to connect and comment is dependent on an individual's internet connection, not the City. To ensure your comments are taken regardless of technical issues, please have them submitted in writing to the City Planner, Greg Schindler at GSchindler@sjc.utah.gov, by 5:00 p.m. on September 8, 2020.
