I, Dawn R. Ramsey, the Mayor of the City of South Jordan and Chair of the South Jordan City Council Meetings, hereby determine that conducting South Jordan City Council Meetings at an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. The President of the United States, The Governor of Utah, the County Health Department and Mayor, the Mayor of South Jordan City, and the World Health Organization have all recognized a global pandemic exists related to the new strain of the coronavirus, SARS- CoV-2 and outbreaks of the coronavirus disease COVID-19 that has now spread globally including in Utah. Due to the State of emergency caused by the global pandemic, the current situation in Utah and specifically in Salt Lake County, and the manner in which the COVID-19 virus spreads in groups, I find that conducting a meeting at an anchor location under the current state of public health emergency constitutes a substantial risk to the health and safety of those who may be present at the anchor location. According to information from State Epidemiology, the State is currently in an acceleration phase, which has the potential to threaten the State's healthcare system. This determination not to meet in an anchor location shall be valid for thirty days.

In the event an electronic meeting is disrupted in any way that the City in its sole discretion deems in appropriate, including the posting of offensive pictures, remarks, or making offensive statements, the City reserves the right to immediately remove the individual(s) from the meeting and, if needed, end the electronic meeting with or without a motion and vote. If a meeting is ended prior to all items being addressed, any items not addressed shall be moved to the next regularly scheduled meeting or a special meeting whichever is first.
