TRASH & SANITATION NOTICE

The South Jordan City Council adopted the following ordinance regulating trash receptacles and sanitary toilets:

15.04.190: TRASH RECEPTACLES AND SANITARY TOILETS AT CONSTRUCTION SITES:

A. A trash receptacle of a size and nature suitable for containing all construction related debris shall be located on all construction sites during construction and shall remain on the site until such debris is removed from the site. Such receptacle shall not be placed within the city right of way.

B. A sanitary toilet shall be located on every construction site within the city, provided where a single residential construction company is building concurrently on adjacent lots, a single sanitary toilet may be provided for every six (6) lots, or as otherwise required by the city building director. Such facilities shall not be located within the city right of way. (Prior code § 10.16.020; amd. Ord. 98-13)

I have read, understand, and hereby agree to comply with this ordinance.
