

South Jordan City

Job Description

Title: Fire Captain
Org: 100620
Pay Grade: F5 Step 6-12

Effective Date: 7/1/2021
FLSA: Non-Exempt
Workers Comp: Fire

GENERAL PURPOSE

Under general supervision, the Fire Captain will plan, assign, supervise, review and participate in the work of a Crew or Company within the fire division responsible for providing fire suppression, emergency medical services, technical rescue, hazardous materials response, fire prevention, community education, community wellness, training and equipment/facility maintenance activities and services; and performs a variety of technical tasks relative to assigned area of responsibility.

SUPERVISOR

Battalion Chief

POSITIONS SUPERVISED

Firefighter Paramedic
Firefighter Engineer
Firefighter AEMT
Part-Time Paramedics and AEMTs, as assigned

ESSENTIAL FUNCTIONS

Meet performance standards established with the employee's supervisor.

Job attendance is required, except for authorized leave.

Plan, prioritize, assign, supervise, review, provide, and participate in the work activities of a Crew or Company responsible for providing fire suppression, emergency medical services, technical rescue, haz-mat response, fire prevention, inspections, in-service training, maintenance of equipment, apparatus and facilities, and other related emergency and non-emergency services.

Establish the incident command system at all emergencies; assume the duties and responsibilities of the Incident Commander, Command Staff, and/or ICS General Staff at emergency incidents and planned events until relieved by a superior officer.

Assist with the selection of assigned staff; direct, supervise, mentor, and assist with evaluating assigned staff; counsel, commend or discipline personnel as appropriate.

Perform assigned ancillary duties involving the administration of the Fire Division including prevention, public education, inspections, inventory, training, fleet, equipment and facility maintenance, or other related duties.

Participate in the preparation and administration of the assigned budget; conduct research and submit budget recommendations.

Assist management staff in monitoring and evaluate the effectiveness of services; identify opportunities for improvement; assist with the development of division goals and objectives; and manage the implementation of changes.

Perform a variety of administrative duties including preparing reports and forms, conducting research, and preparing and presenting recommendations.

Attend and participate in professional group meetings; stay abreast of related new trends and innovations.

Respond to and resolve difficult complaints and inquiries.

Operate a variety of equipment, tools, devices and vehicles as required to perform assigned duties.

This position has been determined to be not eligible for remote work because all or a majority of the essential job duties must be performed onsite.

Perform other duties as assigned.

Health & Fitness: Must satisfy the medical requirements of National Fire Protection Association (NFPA) Standard 1582 and at all times maintain a fitness level that meets or exceeds the minimum standard of the department physical ability test and Wildland Firefighter Fitness Test.
