ESSENTIAL JOB FUNCTIONS

Meet performance standards established with the employee’s manager.

Job attendance is required, except for authorized leave.

Responsible for the effective administration of assigned department and all department activities.

Implement ordinances, resolutions, rules and regulations, directives, and service levels within established budget parameters.

Responsible for planning, organizing, supervising, and directing the operations of the department and for the full and effective use of assigned personnel, equipment, and financial resources.

Establish and maintain department goals, priorities, and work plans consistent with the goals and priorities of the city council and city manager.

Recommend long-range and short-range management systems plans and budgets to City management.

Approve staff recommendations on major systems development and/or research projects.

Consult with and advise other division and department directors on information technology management needs, problems, and solutions.

Direct the purchase and installation of hardware, software, and communication services.

Review Date: 6/28/17

Conduct performance evaluations of department employees in accordance with the human resources policies and procedures of the city.

Implement risk management programs required by the city insurance carriers, city risk managers, and city manager to protect the health, safety, and welfare of city employees and the public; prevent financial loss and reduce insurance premiums; conduct affairs of the department to reduce insurance premiums and reduce the potential for claims and lawsuits against the city.

Maintain spending within the budget parameters established by the city.

Utilize and cooperate with the Staffing Committee to request desired staffing changes during the budget year.

Purchase equipment, supplies, and services in accordance with the purchasing policies and established practices of the city.

Supervise subordinate personnel including hiring, performance management, employee development and training, coaching, and initiating corrective action.

Keep informed as to relevant best practices in assigned area of responsibility, and implement or update new practices to strive for continued improvement and excellence.

Submit reports as required detailing activities of the department.

All or a majority of the essential job duties may be performed from a remote location.

Perform other duties as assigned.

MINIMUM QUALIFICATIONS

1. Education and Experience:

A. Bachelor Degree from a regionally accredited college or university with major course work in computer science, business administration, public administration or related area;

AND

B. Four (4) years of professional experience working in the public sector, with at least two (2) years of managerial experience preferred;

2. Special Qualifications:

Valid Utah Class D Driver's License

Successfully complete all required Homeland Security courses including NIMS and ICS training.

3. Knowledge, Skills and Abilities:

Knowledge of public sector laws and regulations.
